Dear A Deb TEST,

It's that time again! Included is the next ASQ for your child. We hope you've been able to better understand your child's strengths, be aware of areas of concern and learn about community services that can support you and your child.

Please complete the questionnaire as before, marking yes, sometimes or not yet to each item in each developmental domain. Once you receive the questionnaire please complete and return it within two weeks to Help Me Grow.

We invite you to check out our blog and website for additional information about child development and ideas for how you can strengthen and support your child's progress and growth. Visit us at helpmegrowutah.blogspot.com.

Call us if you have any questions or would like more information on resources useful to your family.

Don't forget to have fun!
